

SUNDAY Q&A: AUGUST 7

IN THE LAST 30 DAYS THE BOARD HAS...

- Emerald Heights Academy potential rental: Communicated to community the outcome of rental decision (follow up from survey and community information gathering in late June).
- COVID Policy:
 - Changed to zones (based on feedback in July Q&A), opened up to food in Friendship room under controlled conditions, posted policy based on community input.
 - We are now operating air flow fans on a regular basis in various areas to improve air flow.
 - Discussed approach; agreed upon a monthly check in point.
- Youth & Family Sunday School opening:
 - Worked toward facilitating an opening date. Shelley to be the Board Advisor for Youth & Family.
 - Participated in upgrading playground equipment. Shout out to Paul.
- Committee/Team Process: Drafted a charter template for Committee/Teams. Plan is to complete the charter template by end of September, create a charter for all existing committees/teams, and then start active recruitment on committees/teams. This approach will establish a formal definition for what is a Team v. Committee, a standard process for new committee/team scope development, operational instruction for existing and new committees/teams, and guidance on interaction with staff.
- Board of Trustee website: Created (still working on). Plan is to complete by end of August and release in September. This will provide a “one stop shop” for most recent and archive of meeting minutes, Sunday Q&A handouts, notifications, and other important updates on policies as they occur.
- Board Action Plan (contains actions Board committed to during healing sessions earlier this year): Jean reviewed with Rev. Denese. We plan to move forward with governance committee and kick off is planned to take place by end of September.
- Leadership Training (Board, succession candidates, staff, and prayer ministry leader): Scheduled Aug 2nd as the 1st in series.
- Board Retreat: Day 2 scheduled for Sept 17 with focus purely on organizational strategy.
- Scheduled community visioning for Sr. Minister – Aug 14
- Posted Q&A recordings.
