

SUNDAY Q&A: NOVEMBER 6

IN THE LAST 30 DAYS THE BOARD HAS...

- COVID Policy – Monitoring data. Risk still classified as low in King County both on King County webpage and on the CDC tracker for King County.
- Board of Trustee Webpage: Creation complete. Resolved the IT access problems noted last month. Testing in November. Hope to have live by Dec 1.
- Rev. Denese facilitated, and UOB leaders attended, the first informational session about Focused Ministry.
- Key workgroup updates
 - Governance – Kick off was rebooted and regular meetings are underway! Posted policy manual to UOB webpage under “board” section for now. <https://www.unityofbellevue.org/board>. Committee members familiarizing themselves with UWM policies for potential adoption. Through the end of the year focus is on identifying needs and gaps beyond what is already known (communicated earlier in the year via community healing sessions) and suggestions for improvement. Jan – Mar we hope to start with documentation updates.
 - Ministerial Search – The committee has completed application first pass. Paul may further comment.
 - Charters – Working through details and language.
- Kicked off Stewardship Celebration month on 10/30/22 which will run through 12/04/22. Spiritual Cooperative number is calculated by taking expenses divided by contributors. 2023 expenses (after accounting for rental income) are estimated to be \$247,300 which when divided by 75 members on the books = \$3,000 (\$3,297 to be exact) or stated in monthly terms... \$275/monthly (\$274.78 to be exact).
- Began initial planning of 2023 budget. Target is to finalize in December after Stewardship Celebration month.
- These tasks were scheduled for completion in Nov (all outputs of the Sept retreat) but will likely be delayed due to competing time demands. All still on the “do” list but completion deferred until mid-December.
 - Publishing of communications plan
 - Development of process for submitting income generating ideas
 - Update to Vision, Mission, Values
