

Cathy Lane

I was born in the McLendon's Hardware parking lot in Renton, Washington. Actually, at the time it was the Valley General Hospital. I was raised and married in the Presbyterian Church. My husband Ed was Catholic at the time. We found our way to Unity in 1994, when Linda Spencer was the spiritual leader. Many of you knew Ed. He liked to serve as the platform assistant and served on the board. I have considered board service for several years. Upon my retirement, I got serious about serving.

I have been active in Women Connect, Spirit Groups, fundraisers, the Ministerial Search and Find committee, and I am one of the lunch ladies.

My earlier volunteer activities included serving as PTA President, when our children were young, and I was on a break from working. I also chaired a Parent advocacy group for the Renton School District, served on a Washington State Special Education Advisory Committee and volunteered at my prior church.

I retired from a 40-year career in commercial insurance in 2021. I am familiar with risk management, claims, insurance program development, accounting, and problem resolution.

I have benefited greatly from the love and support I have received from this community for many years. I want others to experience the life changing benefits of Unity of Bellevue. I would like to serve on the board as a way of contributing to our re-growth and re-invention. I ask for your support in our shared new adventures ahead.
